Dear Brothers and Sisters:

**RE: ELIMINATION OF RACIAL DISCRIMINATION**

March 21st marks the International Day for the Elimination of Racial Discrimination and I believe this is an important opportunity for PSAC members to celebrate our diversity and strengthen our commitment to eliminate racism and intolerance in our communities.

Discrimination, hate and cultural conflict divide and weaken our community and it is imperative that we diligently promote the principles of inclusion, respect and cooperation to help build an even stronger society.

If we as a community embrace multiculturalism, it may someday lead to a society where an International Day for the Elimination of Racial Discrimination no longer exists, as racial discrimination will be eliminated. **That would be a day to celebrate!**

In Solidarity,

Robyn Benson
